Self-Assessment for School Improvement- UPDATE

The SDTL initiated an internal audit of the K-5 teaching and learning program on December 2, 2021 and completed the process mid-December. Preliminary findings have been documented and shared with Dr. Mullings and the elementary leadership team via a DRAFT report.

A formal report that includes findings and suggested next steps is being developed and will be reviewed with the elementary leadership team.

Teacher Certification Support

The SDTL met virtually with any K-5 staff member or teacher whose certification was expired or whose certification will expire by August 2022. The goal of the meetings was to ensure the team member understood their current certification status and are equipped with the information needed to pursue certification. Each team member received a memo after their meeting. The memo contains their certification evaluation findings (from the NYC Charter Center), suggested next steps, and requirements for informing CCS about their certification progress. Attached is a sample of the memo.

SAMPLE MEMO

Name/s redacted

Thank you for your time on Thursday, January 6, 2022 discussing your certification status. Below is a summary of the items we discussed and additional information to guide you towards full certification. **According to the NYS Teach database your current certification status is:**

Certificate Title	Issue / Effective Date	Expiration Date	Status
Bilingual Education Extension Transitional B Ext Annot	07/31/2018	01/31/2021	Expired
Childhood Education (Grades 1-6) Transitional B Certificate	09/05/2017	01/31/2021	Expired

As part of our membership with the NYC Charter Center, a certification analysis has been conducted for all educators. Here are your next steps towards certification as identified by the NYC Charter Center:

Trans B Child Ed 1-6 and Bilingual Ed Ext Annot certificates expired on 1/31/21

-If they are still enrolled in the master's program, they must IMMEDIATELY:

-Submit a letter to the SED from the Hunter College's certification officer verifying current enrollment in the Trans B program and include the estimated completion date in support of the pending time extension applications for the Trans B Child Ed 1-6 and Bilingual Ed Ext Annot certs

-If they completed the master's program, they must IMMEDIATELY and BEFORE 9/1/22, contact Hunter's certification officer for certification guidance re: exam requirements, application process for the Initial certs, Emergency COVID-19 cert(s), etc.

-If they did NOT complete the program or are no longer enrolled, they should complete the Personal Certification
 Consultation form, making sure to attach all required documentation before clicking submit.
 -NOT currently eligible for the pending Emergency COVID-19 Child Ed 1-6 cert app because they have NOT
 applied, paid the fee, AND met ALL requirements (except certification exams) for the initial Child Ed 1-6 cert

Getting Support with the Process

If your next steps are complicated or you are unclear, we are able to contact the NYC Charter Center on your behalf. Please email HR@challengecharterschools.org (you MUST cc your supervisor and SDTL) to submit this request. If your case is particularly complicated, you may be eligible for personal certification counseling. See the below information from the NYC Charter Center:

Personal Certification Consultations for Teachers

Teachers with difficult or complicated situations are invited to request a <u>Teacher Personal Consultation</u>. We have developed an on-line version of the evaluation to make it easier for most teachers to get the guidance they need without a trip to our office. Teachers must complete the form in its entirety and upload all documents requested. Missing information prevents the consultants from providing the best recommendation. Upon submission of the Personal Consultation form, teachers can expect the following:

- 1. They will receive an email confirmation to retain for their records.
- 2. Since our consultants are part-time, please allow about 3-4 weeks for an initial review. Expect a preliminary evaluation at the email address provided.
- 3. After reviewing the preliminary evaluation, the teacher can reply directly through the email if they need further clarification or an appointment to talk to one of the consultants. The consultants will set up a time to work with them online or by phone.

Complete Your Dignity for All Students Act (DASA) Workshop

Completion of a DASA workshop is required for NYS certification. Workshops are offered virtually and throughout the year. Here is one resource for workshops: https://www.nassauboces.org/Page/7339

Keep Us Updated

Please submit your certification plan of action to HR@challengecharterschools.org and cc your supervisor and SDTL by February 1, 2022 (after meeting with a certification consultant if needed). Include what you have accomplished since your certification meeting and your next steps moving forward (i.e Complete masters degree by June 20, already enrolled).

 2022. There was no missed instructional time with the switch to remote learning, as our systems in place keeps us ready to use either instructional mode at any time.
- Scholars and staff have been vocal about their preference for in-person learning, but the teams did all that was possible to ensure that instruction, attendance, and engagement did not suffer too badly.

STAFFING:

- CCMS has made gains in staffing. To date only the following vacancies still stand:
 - Grade 7 Science Teacher
 - Grade 7 SS Teacher
 - Spanish Teacher
 - Grade 6 SWD Teacher In the meantime teachers are scheduled to provide SETTS Services to scholars.

SOCIAL-EMOTIONAL LEARNING (SEL)

- Covered in the homeroom (8:00 a.m.-8:25 a.m.) Grades 6-10 continue with the Second Step SEL lessons focusing on Bullying and Harassment. Teachers have been provided with the PD for this Unit.
- The Mood Meter has also been incorporated as part of the classroom SEL support. As well as using the first seven minutes of classes at certain periods of the day to check in and establish scholars' moods. We believe that this support will help us improve our scholar's academic standing as well as we encourage them to speak about their feelings and as we validate their feelings as well–giving way to strategies to help them cope.
- The importance of the social-emotional lessons is to provide a foundation for safe and

positive learning to provide scholars with the strategies necessary to succeed in school, careers, and life. We continue to focus on all 5 of the SEL Competencies throughout the school year.

CURRICULUM, INSTRUCTION, AND ASSESSMENT

- i-Ready MOY Assessments began on January 13, 2022. 25% of our scholars in both CCMS and CCHS have not begun these assessments yet due to attendance. Following best practices, we are not administering the i-Ready assessments to students who are not in a controlled test environment on the premises where they can be monitored. This will ensure that our data is as valid as possible.
- The Lavania Group continues the Close Reading work with grades 6-10.
 Consultants coach and observe lessons in the classroom on demand alongside leadership and provide teachers with feedback on the teaching of Close Reading.
 On January 19, 2022, a Close Reading diagnostic will be conducted to take stock of where our scholars are in preparation for Test Prep.
- Scholars have been grouped to make RTI a more structured instructional work in our school. The 2019 New York State Assessment data and the B.O.Y. Diagnostic data were used to guide this work.
- Enrichment clusters were also arranged using the Renzulli Survey data, however, due to COVID Safety precautions, in-school enrichment clusters have been grouped by homeroom and mixed interest. At CCHS scholars have the choice of two clusters, which are being adjusted to incorporate as little contact as possible. These clusters occur at CCHS during the lunch period.

SPECIAL EDUCATION SERVICES

- Grades 6-8 CLASSROOMS
 - At Grades 6-8, teachers have been recruited to provide SETSS tutoring during their prep times.
 - Ms. Jasmine Hunter has taken on the additional role of SPED Liaison for Grades
 6-10 while maintaining services to Grade 8 IEP scholars.
- ENL services are provided on a consistent schedule by Ms. Ana Gomez.

DIGITAL PLATFORMS

 Grades 6-10 scholars are using a combination of digital notebooks and hardcover notebooks for all courses at this time to build writing and engagement stamina. We continue to utilize all our platforms with our eyes on maintaining remote learning strategies and the brick and mortar classroom. A recent shift was implemented to curtail the use of chromebooks to just 9% of the instructional time in an effort to maximize engagement.

PARENT AND SCHOLAR OUTREACH and ACCESSIBILITY

- Attendance letters and nudge letters were sent out to parents via ParentSquare and hard US Mail at CCMS and CCHS.

understanding of their academic standing with respect to credits earned toward graduation.

This Mid-Year report was prepared for our staff and will go out the week of 1/17.

CCS COMMUNICATIONS MID-YEAR REVIEW 2021-22

As we begin 2022, let's take a moment to reflect on all the positive moments and highlights from the first few months of the 2021-22 school year. YOU have been instrumental in sharing our amazing story, and I thank you. Thank you for your submissions and post ideas, for your "likes, comments, and shares", and for your support so far this year. You are helping our families and the greater community see into the daily life of our school at a time when we have to limit visitors in our buildings.

You are doing great things. Our scholars are doing great things. My hope is that this Mid-Year Review reminds you of how important it is to our community to share the good that takes place in our halls and classrooms. As we talked about in August during Professional Development Week, we all have a responsibility in recruiting and promoting because enrollment affects each and every one of us. Your engagement can help us reach full enrollment for 2022-23.

I look forward to seeing all the new stories to come in 2022 featuring our Challenge Charter School Cheetahs.

Happy New Year, Kin Messer

Recruitment/Application Mid-year Review:

Expenses related to promotions between July 2021 and the first week of January 2022 total approximately \$20,000 for various print ads, printing brochures, bus shelter ads, and a special summer Vanguard mailing.

381 applications for 2021-22 (post-lottery) and 363 applications so far for 2022-23 have been received for our marketing efforts. Of note:

- Between 12/11-1/10, 24 applications were received AND 24 registered. Also, 135 applications were received for 2022-23.
- This does not include the Vanguard mailing as it had not gone out.
- Bus shelter ads that ran late November to end of December gained 29 applications. It was our only advertising out there at the time.
- We received 6 applications after a special ad that ran the last two weeks of December for families interested in making a mid-year school change.
- Outreach to 11 preschool and other school sites was done in December.
- Because I am doing almost all of the design in-house, we are saving thousands of dollars and and streamlining our marketing efforts.

We hosted our first Virtual Open House of the season to promote our High School on Thursday, January 13. Over 20 were in attendance plus staff and teachers.

As of January 3, 2022, enrollment is beginning to increase due to active recruitment and marketing/advertising. Student enrollment was steadily declining for the first half of the school year. The waitlist is exhausted for grades K,1,2,4, and 7. There are two 10th graders on the waitlist. They will enroll at the end of the month to avoid losing full credit for the semester at their current school. Student retention is still an area of concern at the elementary site.

STUDENT RECRUITMENT

- 24 scholars were recruited from **12/11/21-1/10/22** for the 2021-2022 school year. **24 scholars** were newly enrolled at the elementary site.

Jan. 2022 - Dale Richardson

I: Current Work

A: eRate information gathering

- Information is currently being gathered to submit our annual eRate application, as we are still eligible for Category 1 funding (internet service).
- The FCC's E-Rate program makes telecommunications and information services more affordable for schools and libraries. With funding from the Universal Service Fund (<u>fcc.gov/general/universal-service-fund</u>), E-Rate provides discounts for telecommunications, Internet access, and internal connections to eligible schools and libraries.
- Discounts range from 20 to 90 percent and are based on the poverty level of the schools. Rural schools and libraries may also receive a higher discount. Recipients must pay some portion of the service costs.
- See the list of eligible services at usac.org/e-rate/applicant-process/before-you-begin/eligible-services-list/.

B: NYSED/NYC DOE Digital Equity Questionnaire for ALL Scholars.

- The DOE created a new website in December, which has streamlined the process and made the collection of data much simpler for our families: https://nysdigitalequity.osdcp.org/
- Notifications were sent to families via Parent Square on 12/22/21.
- 287 responses have been entered into the NYCDOE-hosted Digital Equity Family Questionnaire system, as of 1/10/22.
- The New York State Education Department (NYSED) requires all school districts, including charter schools, to collect information from families about student access to devices and the internet for the 2021-2022 school year.
- Collection is at an individual OSIS level and will be ongoing throughout the winter.

- The tech team is requesting the assistance of our principals, teachers, communications team, operations team, parent teacher coordinators, and any other staff member(s) willing to assist with contacting parents to encourage the completion of the survey.
- Challenge's Director of Operations and Parent Engagement Coordinator have assisted thus far.

C: Remote distribution of Chromebooks and HotSpots.

- Our 1:1 assignment of grades k 10 Chromebooks was completed in September of 2021.
- As stated in September's report: Scholar's at 1520 Central and 12-79 Redfern have all been assigned individual Chromebooks, which are taken to and from school.
- As stated in September's report: Scholar's at 710 Hartman and 1526 Central are assigned Chromebooks which are housed in the classrooms.
- Hotspots are distributed as a need arises.
- I suggest the creation of a vetting system, as to mitigate against individuals who seek to take advantage of the HotSpot initiative.

II: Future Work

A: A single phone number to reach our entire organization?

- In an effort to increase customer experience. I have made an inquiry to revamp our phone system under a single unified number.
- Once the user dials the new number, they will have the ability to choose the site they wish to contact.
- Having a single unified number will assist with advertising, by allowing flyers to be a little less cluttered.

- A single unified number will also be useful for our web presence. Ex: When
 one google's "Challenge Charter School," google currently presents the phone
 number for 710 Hartman Lane. Google should have a single number capable
 of reaching each site.
- A proposal will be provided by a vendor for consideration, with the goal of a summer implementation if approved.

B: Potential Security Cameras

- We are currently sourcing quotes for security video cameras, which are intended to be placed at 710 Hartman Lane and 1526 Central Avenue.
- These will be new systems and may incur the cost of additional servers and internet equipment, to manage the bandwidth.
- A proposal will be provided by a vendor(s) for consideration, with the goal of a summer implementation if approved.

D: Computer Lab at 1520 Central Ave

- Apple desktops have been ordered via RESO A Grant Funding.
- Interactive boards have been ordered via RESO A Grant Funding.
- Printers have been ordered via RESO A Grant Funding.
- We are currently awaiting the delivery of the ordered equipment.

III: Risk Factors or Challenges

A: eRate information gathering

 *Please note: In March of 2021, Challenge exhausted all Category 2 funding (Hardware and MIBS - Managed Internet Broadband Services, including our network administrators) for the next five years, while bringing 1520 Central online, as well as upgrading hardware throughout our sites at 710 Hartman and 1520 Central.

- As a result, for Category 2 our E-Rate budget is exhausted until the 2026/2027 funding year, or until our student count increases beyond 999 scholars.
- Challenge may be able to acquire further eRate funding once enrollment reaches over 999 scholars during an application period. 2023 2024 looks to be our next window of opportunity for eRate funding.

B: Chromebook shortage

- Scholars are transferring without returning their assigned Chromebook, which is leaving older devices to be assigned to some newly enrolled scholars.
- Each Chromebook that is not returned is a loss of \$350 (pre depreciation).
- The Operations Team at Middle School have begun tracking discharged scholars' and have retrieved Chromebooks. This system should be implemented across all sites.
